Addendum

ADDITIONAL SUBSCRIPTION AND MULTI-YEAR TERMS AND CONDITION ("TERMS")

In addition to the Ingram Micro Sales Terms and Conditions signed by you (the Reseller) or other written agreement signed between the Ingram Micro entity you are transacting with ("Ingram") and you, the following terms and conditions apply to your purchase of Vendor Services (as defined below) from Ingram. Any software, cloud or other products or services provided by a third-party vendor (each, a "Vendor") and used, consumed or accessed by you or your customer are "Vendor Services".

When "Ingram Micro", "we", "us" or "our" is used in these Terms, they refer to the Ingram Micro entity you are transacting with and/or its applicable affiliate(s). Any references to "you" or "your" in these Terms are references to the company which you, the Reseller represents. These Terms will supersede any additional or conflicting terms set out in any purchase order, order form or other document issued by you relating to the Vendor Services. If there are any conflict or inconsistencies between these Terms and terms and conditions relating to the specific Vendor Services published on the Ingram Cloud Marketplace or an Ingram portal or as otherwise provided by Ingram to you ("**Vendor Services Terms**"), the Vendor Services Terms shall prevail. By you or your customer proceeding with the Vendor Services or consuming or using the Vendor Services, whichever occurs first, you are deemed to have unequivocally accepted these Terms, even if you fail to or have yet to return a signed copy of these Terms.

1. Vendor Services and Applicable Terms

Vendor Services may be offered on a subscription basis for an initial term which may also be subject to auto-renewal. Vendor Services could also be offered on a consumption basis and may be subject to a fixed monthly charge or any minimum charge stipulated by Ingram. You are therefore advised to carefully check the terms of the Vendor Service you are ordering to understand the consumption and usage terms, duration of the subscription, renewal options, termination rights and such other terms that may be of significance to you. Further, Vendor Services do not typically require any physical delivery, and thus no terms in your existing agreement with us related to delivery or returns will apply to these Vendor Services unless expressly agreed otherwise by Ingram. Your resale of the Vendor Services you purchase from us may be subject to additional terms and conditions required by the Vendor, and you are responsible for checking the Vendor's website or portal to determine if any Vendor terms apply to the Vendor Services you wish to resell. All Vendor Services will require the end user to accept the Vendor's end user license agreement, terms of use, or terms of service, so you need to ensure that your customers accept the relevant end user license agreement prior to commencement of the Vendor Services. Likewise, if you are using the Vendor Service yourself, you will need to accept and abide by those Vendor terms and conditions. Notwithstanding anything to the contrary in these Terms, your license or right to use any Vendor Services is provided by the Vendor and is subject to any terms and conditions made available by the Vendor, including, but not limited to, warranties (if any), ownership of intellectual property and permitted uses.

2. Payment

You agree to pay the fees and charges for the Vendor Services as outlined in these Terms. Depending on the Vendor Services purchased, we reserve the right to impose a minimum consumption charge of USD50 per month or more for your subscription. We will accept payment from you by methods we make available and you select. You acknowledge that fees and charges for Vendor Services you purchase may, as a result of foreign currency exchange fluctuation, be adjusted during the term of your subscription, at our discretion unless otherwise mutually agreed in writing. Therefore, unless otherwise mutually agreed in writing, the amount you pay for the Vendor Services may vary from time to time during the term of your subscription, even though you may purchase Vendor Services in advance for a fixed term. We will notify you of any such changes by sending notice by e-mail, by electronic notification, or regular mail.

You are responsible for billing and collecting any payments for Vendor Services from your customers. You agree that your payment obligations are NOT a "pay when paid" arrangement. Accordingly, your customer's failure to pay for Vendor Services will not relieve you of your obligation to timely pay us for the Vendor Services ordered by

or through you. If your customers do not pay you, you still must pay for the Vendor Services you committed, ordered, use or consumed whether by you or your customer.

You must pay in advance for your or your customer's use of the Vendor Services, unless otherwise agreed to by us. You authorize us to automatically charge any amounts payable by you in connection with your or your customer's use or consumption of the Vendor Services, such as when billing is based on your commitment, consumption or use or if the Vendor Services automatically renew, or potentially in other cases.

If we waive the requirement for you to pay in advance and grant you a credit line, you must pay within the time indicated on the invoice, and you must pay via wire transfer, or such other electronic payment method deemed acceptable by us. Wire transfers should include any additional processing fees that may apply, particularly international wire transfers. You are responsible to ensure these additional fees, if any, are added to the wire transfer submitted to us.

Late payment interests shall be automatically applicable without need for any prior formal notice and shall be calculated with reference to said amount from the date on which payment was due until the date of effective payment. In addition, in case of late payment, you are also liable for any cost we may incur in collecting the overdue amount from you, including any legal and enforcement cost. Credit limits may be granted, modified, suspended, or terminated at any time in our sole discretion. You may also be required to provide a security or deposit to us. If you fail to make timely payment you agree that we may without further notice to you and in addition to all other rights and remedies provided to us hereunder or at law, call on any security or deposit provided to us to offset any payment due from you, and/or terminate or suspend the affected Vendor Services without any liability to us.

You acknowledge that, Ingram's quotation and Reseller's purchase order is not required for Ingram to invoice you for the Vendors Services consumed or used by You and/or your customer. You agree that payment of Ingram's invoice is not contingent upon issuance of a quotation or a corresponding purchase order from You for such invoice to be paid.

You must pay all sums due to Ingram as reflected in Ingram's invoice without offset or withholding. All amounts paid are non-refundable. In the event You have committed to a multi-year order, you agree to pay all amount due including for Vendor Services fees committed by You.

You have three (3) business days to contact Ingram from the date of the Ingram's invoice with any questions or concerns regarding the invoice. The parties will work in good faith to resolve the dispute promptly. In the event the invoice value is disputed, you must pay any undisputed amount of the same invoice within the payment term granted by Ingram.

In the event you (a) fail to pay all or any amount due, or (b) if you go into liquidation or are unable to pay your debts as they fall due or you suspend or threaten to suspend making payments with respect to all or any class of your debt or enter into any composition or arrangement with your creditors, Ingram may, at its option, immediately declare due and payable and recover from you (as liquidated damages and not penalty) all remaining sums payable for the remaining term under these, all past due amount, and all costs and expenses of collection.

3. Tax

Unless otherwise indicated in an invoice or agreed to in writing by us, all payments are exclusive of national, federal, state, provincial, local or foreign taxes, duties, tariffs, levies and similar assessments. You agree to bear and be responsible for the payment of all taxes, duties, tariffs, levies, fees and charges of any kind, including sales, use, excise or value added taxes, and all other similar charges (collectively, "**Taxes**") that are imposed on transactions by or under the authority of any government body, excluding Taxes based solely upon our net income. If you are a tax-exempt entity or claim exemption from any Taxes or withhold any Taxes as required by law hereunder, you will provide a certificate of exemption or withholding tax certificate and, after receipt of valid evidence of exemption or withholding tax certificate, we will not charge you any Taxes from which you are exempt or withheld. You agree to indemnify us for any Taxes that we are required to pay on your behalf for any reason whatsoever.

4. Reports

Depending on the type of Vendor Services used, you may be required to report to Ingram all usage of the Vendor Services either by yourself or your customers, as the case may be, and pay Ingram for all

associated fees pursuant to the Vendor Services. Ingram may require You to submit such a report on a monthly basis or such as terms as Ingram may specify. In the event the report is required for invoicing purposes and you fail to provide the report in a timely and accurate manner, Ingram reserves the right to issue you with a proforma invoice based on your and/or your customer's use or consumption of the Vendor Services in the previous billing period and the amount due will be adjusted once Reseller submits an accurate report for the Vendor Services to Ingram. For clarity, in the event the amount set out in the proforma invoice is lower than the actual consumption or use of the Vendor Services, you shall remain liable to Ingram for the full amount of the Vendor Services used or consumed including late payment interest notwithstanding the amount stated in the proforma invoice. In addition to the foregoing, your failure to provide timely and accurate report is a material breach of this agreement if you fail to remedy such breach within seven (7) days of being requested to do so, and Ingram may exercise its right to terminate or suspend the Vendor Services in accordance with the terms of this agreement and pursue all other rights and remedies available to it hereunder or at law.

5. Unauthorized Use of Vendor Services

Resellers and end users will be fully responsible for maintaining the security and confidentiality of their access credentials to any Vendor Services purchased or consumed through the relevant account. You must ensure that you and your customers implement best practices for maintaining such security and confidentiality when accessing and using such Vendor Services. You will remain primarily liable to us for any and all charges, damages or fees incurred by or through the use of yours or the end user's credentials for the purchase, use or consumption of the Vendor Services, including any unauthorized activity on such accounts. We may suspend or terminate your or your customer's access and use of the Vendor Services or your respective account(s) immediately upon the reasonable belief that there is fraudulent or unauthorized activity on such account(s). Neither you, nor your customer may use or otherwise access the Vendor Services in a manner that exceeds the authorized use or use it in an unauthorized manner. If you or your customer exceed the authorized use or misuse the Vendor Services then you will promptly notify us and immediately: (i) disable or correct impermissible use; or (ii) purchase additional Vendor Services to correspond to actual use. You agree that we or the Vendor may at any time and in our discretion review your use of the Vendor Services, and you will provide any reasonable assistance to verify your or your customer's compliance with these Terms and any other applicable terms. We may suspend or terminate the use of the Vendor Services immediately upon written notice of non-compliance identified in such review, in addition to exercising any other rights or remedies we or the Vendor may have under any applicable terms or at law.

6. Termination of Access and Use to Vendor Services

If we determine that you may have violated these Terms or any other applicable terms, including that if at any time your fees are more than sixty (60) days in arrears, we, in our sole discretion, may deem that you have abandoned your customers and we reserve the right to terminate your account with cause and assume ownership of your customers directly, without any financial consideration or relief whatsoever to you.

Upon termination of Vendor Services for any reason, you will be responsible for all subscription fees for Vendor Services you have ordered or committed to until the end of the subscription term(s) in addition to such other Vendor Services that you have consumed or used, including the fees and costs arising from any other commitments or agreement you may have made with us. Further, you agree that all amounts outstanding from you to us for Vendor Services will accelerate and become immediately due and payable. For clarity, certain multi-year Vendor Services which you have already agreed or committed to may not be cancelled or terminated until the end of the subscription term and if cancellation or termination is permitted, it may be subject to payment of the fees for the remaining term in full and/or such other penalty fees. In such instance, you agree to pay Ingram for all such fees and charges that may arise from the termination or cancellation. Similarly, you may only terminate any Vendor Services which automatically renews in the manner approved by Vendor and Ingram, and such termination may be subject to a fees or charges for termination. You remain liable to pay us for the Vendor Services and such other charges incurred including any such charges relating to termination.

Additionally, we may temporarily or permanently prevent you from using the Vendor Services, cancel the Vendor Services without a refund and, if appropriate, pursue legal action against you. In addition, you may be subject to civil or criminal penalties and injunctive relief. We will not be liable for any claims that might arise from our suspension or termination of the Vendor Services.
